The real secret of mutualization in life insurance has been discovered by that company whose president and his family drew nearly \$4,000,000 from the concern within less than twenty years. Mutual—between us—Springfield Republican.

Awriter discussing the lost art of early rising says: "The proper time to rise is when sleep ends." That's a good thing to learn. Do you know, if we hadn't seen that in a paper, we should have gone on believing that the proper time to rise was when you were right in the midst of your soundest sleep. What a blessed thing it is for this blind old world that there are some men in it who know nearly everything.
